

September 15, 2011

Dear Parents,

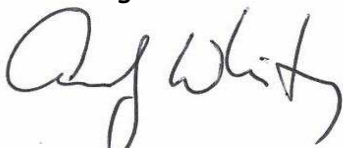

With the weather getting a bit cooler we are ready to commence weekly outings for P.E. classes to be bused to nearby city parks (usually the Han River Park) starting during the week of **September 19**. It will allow the children to have "genuine" outdoor play opportunities. This would be done in place of one of their two regular weekly Physical Education class times. It will be led by Mr. Mansel with the assistance of the classroom teachers. The playtime/PE lesson will allow for 45 minutes of outdoor play and will occur once per week (weather permitting) until it gets too cold to do so comfortably. Assuming a short bus ride each way it means that each class would be away from ECLC for a little more than 1 hour each time.

As with regular P.E. classes, please make sure that your child wears appropriate clothing on these days. Also, we ask that each child wears a hat. If you feel your child needs sunscreen, please send it in to school and the teachers will make sure it gets applied. The school will provide water for all children.

We appreciate your cooperation and support for this activity.

If you have any questions or concerns, please don't hesitate to contact me.

Best regards,

Andy Whitney
