Dear Parents,

In our ongoing efforts to keep parents as aware, informed and involved in our program as possible, I would again like to offer a monthly series of “parent informational forums”. These casual Thursday morning meetings will be held from 9:15 until 10:15 in the gym and each is devoted to a specific topic related to your child and his/her program at ECLC. Below is the list of topics and dates for this school year.

I hope to see you there!

Best regards,

Andy Whitney
