

April 23, 2010

Dear Parents,

The day has finally arrived! We had a wonderful day at school celebrating ECLC's birthday. We held an assembly this morning where we sang "Happy Birthday" and talked a bit about the history of ECLC. While this may have been a bit beyond some students level of understanding, I felt it important for them to get the idea that ECLC is even older than most of the parents at ECLC! The school provided each child with a special birthday cupcake at lunch or snack and all students went home with an ECLC birthday teddy bear and balloon as a remembrance of this special event.

What a great day for a great bunch of students attending a great little school!

I look forward to seeing those of you planning to attend our gala event tomorrow evening. I want to remind you that there will be a cash bar available - along with raffle ticket sales and auction items so... don't forget to bring your wallet!

Please find a brief history of ECLC on the back side of this letter for your reading pleasure.

On behalf of everyone at ECLC I want to say thanks for all the support we have received in putting on this event. We couldn't do it without you.

With warm regards,

Andy Whitney
