

**Parent Teacher Association  
(PTA)**

Dear ECLC Parents,

On Saturday, November 21st, the PTA has organized Alison our school nurse to provide a comprehensive first aid course for parents and friends of ECLC from 9am to 4:30pm.

The program is offered by the American Red Cross. The specific courses Alison will offer are: **Infant & Child CPR, and Standard First Aid.**

You will get certification (a certificate too) from the **American Red Cross**. The CPR component is valid for 1 year and the First Aid for 3 years. The course provides participants with knowledge and skills to sustain life and minimize consequences of injury or sudden illness until medical help arrives.

The content and activities will help participants identify and eliminate potentially hazardous conditions, recognize emergencies, and make appropriate decisions for first aid care.

Cost: 60,000 won per participant.

Please return your completed form attached together with your money to Mrs. Park to confirm your place in the course by Friday November 13th

Thank you

PTA
