

ECLC NEWS

A not-so-regular
Newsletter from the Head of School
April 30, 2010

From Andy's Desk

I am finding that quite frequently events occur at ECLC that remind me of what a wonderfully supportive community of parents we have. This was very evident in our 40th Anniversary celebration last Saturday evening. Thanks go out to all who were involved - whether as organizers, supporters or simply party attendees. It was just another way that I have become aware of how fortunate I am to be the Head at this wonderful little school. The support, enthusiasm and energy provided by the parent community has been one of the high points for me this year. While most of the credit for the success at ECLC goes to our great staff, it is a privilege for me to be associated with such a quality organization. My sincerest thanks to all who helped celebrate this special event.

Off Site PE Lessons

For the Preschool, K1 and K2 classes, our experiment to hold one class per week at the Han River Park has been very successful. It has given your children opportunities to run around a large open space and engage in activities where they are not so restricted by space. We will continue to take our PE classes there once a week until the end of the school year.

Fun Around the World

This annual event will take place on Tuesday, May 4 at the Han River Park in Apgujung - just across the Hannam Bridge. Information has already been sent home about this exciting event. If you have any further questions about location or schedule please call the school at 795-8418. Thanks to Mr. Jaesub for all his hard work in preparing for this event.

Summertime Improvements

During the summer holiday we will be implementing several improvements to our facility. There will be new carpeting throughout the school. The library will be getting new shelving. Less obvious, but equally important, will be an upgrade of our computer network and Wi-Fi capabilities along with the addition of better storage areas.

Children's Day Gifts - About 160 local orphans will receive these gifts generously donated by the students of ECLC. This annual event is a testament to our efforts in providing a little cheer to those less fortunate.

Summer Camp

You will be getting information soon about the ECLC Summer Camp which will be held during the last 2 weeks in June - right after the end of our school year. All current students are qualified to attend. Parents can choose to have their child attend for one or both weeks. Some of the ECLC teaching staff will be running the program and are currently planning lots of fun activities for these 2 weeks. Keep a lookout in your child's backpack for more information. You can also find out more information soon from our web site - www.eclcseoul.com. Simply click the tab that says "Summer Camp".

Upcoming Dates

- May 4 - Fun Around the World
* Tuition fee due
- May 5 - No School Children's Day
