Thank you and farewell

Thank you all for supporting the PTA this year. We have had a busy but great year running activities at school for the children and also some for the parents.

Thank you to the great parents who come in and help with activities throughout the year, the room mums and busy bees, library helpers and the parents who have helped with original artworks, holiday market, winter concert and the 40th Anniversary. You make ECLC such a special place.

To the PTA committee, thank you for running such great events this year. You worked hard and well to produce such great times for our children and also the parents.

My family will be leaving Seoul over the summer and moving home to Australia. I will be sad to say goodbye to so many good friends and to such a great school in ECLC. We have enjoyed our 3 years at ECLC and my children always talk of the great activities here.

For the new PTA committee (to be determined), I wish you all the best and hope that you have fun with what activities you decide to run.

I hope that you have all enjoyed the activities of the year and have a great summer. For those also leaving Seoul, I wish you well and maybe we shall cross paths again one day.
