ORIGINAL WORKS!

Dear Parents,

Enclosed is the artwork that your child created in class last week. You can order items from the catalog with the painting printed on them. We would like to also give you an opportunity to create an original artwork at home with your child or their sibling. Enclosed is a blank piece of 8" x 10 ½" paper for you to use. You can create your art with colored pencils, markers, pastels or paints. Whatever your child prefers. Construction paper can also be use, however, to be accepted it must be 8" x 10 ½".

You can order products using the artwork made at school, at home, or both but **EACH ARTWORK NEEDS ITS OWN ORDER FORM**. (Two order forms have been enclosed in this package.)

Order forms need to be returned to school no later than Friday, October 10th. All items will be custom made and delivered in time for the December holidays.
