Dear ECLC Parents,

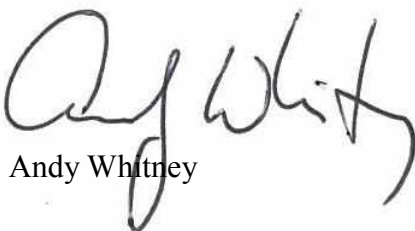

On Friday, March 12 the annual KORCOS-DoDDs 2010 Education Conference will be held here in Seoul. The KORCOS (Korean Council of Overseas Schools) conference offers a variety of education-related seminars and also provides an opportunity for teachers from schools around Korea to meet and exchange ideas and information about education.

At ECLC we had originally scheduled March 12 as a half day for students and a half day for in-house teacher workshops. There is also a similar day scheduled for Friday, April 16. I would like to have our entire teaching staff take advantage of this opportunity to attend this conference for the full day. Therefore, **there will be no school for children on Friday, March 12**. To make up for the time missed, **Friday, April 16 will now be a full day of school** for children and teachers. Please make a note of this in your personal calendars.

I hope this decision will not cause any inconvenience for ECLC families.

I thank you in advance for your flexibility and understanding.

Best regards,

Andy Whitney
