

Thank you  
2010 Read-a-thon

April 9, 2010

Dear Parents:

The 2010 Read-a-thon raised over 4.2 million won, for the five charities listed below. The children had a blast reading their way through over 1700 books together and getting the ECLC rocket through reception and all the way past the 3rd floor.

**School without borders** – 1,000,000 won

**Namsanwon** – 800,000 won

**Hyesimwon** – 800,000 won

**Sungrowon** – 800,000 won

**Geon Children's Home** - 800,000 won

Thank you for supporting reading in your house, children learn to read themselves by the number of books read to them, and a very special thank you to all who raised money to help support reading and providing books for children less fortunate than ourselves.

Thank you and best regards,
