

ECLC's 3rd Annual Read-a-thon

Instructions

Dear ECLC Parents,

We are excited to present ECLC's 3rd Annual Read-a-Thon! It is a great opportunity to stimulate the love of reading in our children, while raising money for a worthy cause. Please read the instructions below and if you have questions you can contact me at carolinedempsey@hotmail.com.

Thank you for your support.

Monday 30th March - Friday 3rd April

- Look over the Instructions, Sponsor List and Reading List.
- Set reading goals and gather books to read.
- Ask your relatives and family friends to sponsor you.
- Let your sponsors know how many books you plan to read during the Read-a-thon. They can sponsor you for every book or chapter you read, e.g. 100[₩] per book or chapter, or a set amount for your participation, e.g. 10,000[₩] total.
- Add the sponsor's name and pledge to your Sponsor List.

Saturday 4th April - Sunday 12th April

- Read, read, and read!
- Try to read every day. It doesn't matter whether students read to themselves, read to someone else, or have someone read to them. It all counts.
- Write down the name of the books read each day on the Reading List.
- Write down your name and the title of each book you read on a strip of colored paper. Take them to school each day so they can be made into a paper chain.

Monday 13th April - Sunday 19th April

- Write down the total number of books read on the Reading List.
- Calculate the total due from each sponsor and collect the pledged donations.
- Write down the total collected on the Sponsor List.
- Place the completed Reading List, Sponsor List and money you have collected in an envelope.

Monday 20th April

- Bring your envelope to school and hand it into your teacher.

All students are encouraged to participate. Good luck and most of all have fun!
