

Winter Concert Decorations

Thursday, December 3, 2009

We are very excited that we will have a new venue for our Winter Concert this year. However, as in previous years we want to make the concert special and magic by decorating the concert hall in a Winter Wonderland theme. We will be decorating on Thursday, December 10 from 9.30 a.m. on. Please come and help to make the hall special for our kids. Come for 1 hour, 2 hours, or as much as you can spare. Please fill in the sign-up sheet and send it in by Monday, December 7. We will contact you next week before Thursday with details.

Thank you for your help. The kids are excited and we will make it a very special event for and with them.

If you have any questions please contact Kirsten Layer at layerbunch@gmail.com or 010 8968 0502.

Winter Concert DVD and Photo Album

Thursday, December 3, 2009

This year we have a documentary maker coming to film our winter concert and preparations in the week leading up to the concert. This will then be professionally edited and produced into a great DVD keepsake of your child's time at ECLC.

We also have a photographer who will take photos at the concert. These photos as well as some extra photos from the preparations will be placed on a CD and included in the package with the DVD.

If you would like to purchase a copy (or copies) of the Winter Concert package, please return this slip and payment (enclosed in a sealed and named envelope) by Monday, December 7th 2009.
