

ECLC International Cookbook

The PTA would like to create a 2009 ECLC International Cookbook and we need your assistance. We would like the families of the ECLC community, including the staff, to contribute at least one recipe to the cookbook. It can be your child's favorite dish, a traditional recipe or a family favorite.

The different sections will be: Appetizers, Soups, Main Dishes, and Desserts.

It will need to be written in English but it doesn't matter if it is in metric or imperial measurements, as we will include a conversion table.

We are in the process of getting quotes for printing and need to know a minimum number of cookbooks to place the order. Therefore, please let us know if you would be interested in purchasing the cookbook and if so how many copies you would like to buy. The books will be available for Mother's Day and Parents Day and they will be sold by prepay orders only. More details will be available once we have the prepay information from you. Our estimate for the cost of each cookbook is currently 12,000-15,000KRW. (The more books that are ordered, the better the price will be.)

We would like to collect the majority of the recipes by email. A template has been created using Microsoft Word for Windows and it is attached to this email. If you do not have a windows operating system and would like to contribute to the cookbook then please write the recipe on the template, which will be in your child's school bag on Thursday March 12th. Please return this to school in your child's school bag no later than **Friday March 20th**.

Please see the following page for instructions and order form.

Instructions:

- 📌 Download and save the template.
- 📌 Type in your recipe (English please). Don't forget to include your child's name & class!
- 📌 Insert a picture of your child or family at the bottom under the ingredients or directions. **See samples**. Pictures will be printed in black and white.
- 📌 Save your recipe.
- 📌 Email the recipe to melwilsonxxx@hotmail.com by **Friday March 20th** or send to school in your child's backpack.
