

September 7, 2009

Dear Parents,

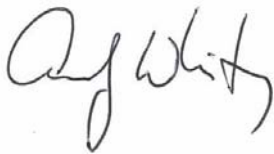

We are in the process of updating the pictures on the ECLC website. We have several moms who are assisting in this endeavor.

In our efforts to respect the privacy and confidentiality of our families, we want to give you the option of not having your child's picture on our website. Please note that no names of our students will be printed should their pictures be used.

If you prefer that your child NOT be shown on the ECLC website, please fill in the form below and return it to your child's teachers. We will do our best to insure that your child does not appear.

Thank you for your cooperation.

Best regards,

Andy Whitney
